

POST-POLL CHURNING

Another West Bengal upset for BJP: Mukul Roy, son back in TMC

RAVIK BHATTACHARYA, ATRI MITRA & SANTANU CHOWDHURY
Kolkata, June 11

Mukul Roy with Mamata Banerjee and Abhishek Banerjee on Friday

"During the polls, Mukul never said anything against our party. Those who betrayed us and criticised our party like anything, we will not accept them. We will consider people who are sober. We will not consider people who spread bitterness. There are hardcore and softcore," Banerjee said, responding to a query on defectors who now wish to return.

Roy, on his part, said: "BJP korte parbo na. BJP korte parlam na (I could not remain with the BJP). That is why I am back in TMC. In the present situation in Bengal BJP, no one can stay there. I will tell you all in detail later."

Abhishek Banerjee presented a traditional scarf to Roy and his son while inducting them into the party. In September 2017, Roy was expelled from the TMC for anti-party

activities. He had joined the BJP in November that year. At one stage, he was the most important leader in the TMC after Mamata.

Roy's son Subhranshu joined the BJP in May 2019. In 2020, Mukul Roy was made BJP national vice-president. In this year's Assembly elections, Subhranshu lost from Biju while his father won from Krishnanagar.

Meanwhile, West Bengal BJP president Dilip Ghosh said Roy's exit will not impact the party's prospects in the state.

"Today it is the need of the hour to stand by our workers who are facing post-poll violence and are being driven away from their homes. It does not matter who is coming or leaving. I don't know whether we benefited from Roy joining our party. I don't think his exit will make any impact either," he said.

EXPRESS NEWS SERVICE
New Delhi, June 11

SAYING IT WAS "shocking" that former Mumbai Police Commissioner Param Bir Singh, who has "served the state" for over 30 years, didn't "trust the functioning of (his) own state", the Supreme Court on Friday allowed him to withdraw his plea seeking transfer of all inquiries against him to an independent agency outside Maharashtra.

Appearing for Singh before a vacation bench of Justices Hemant Gupta and V Ramasubramanian, senior advocate Mahesh Jethmalani said while the Bombay High Court had ordered a CBI probe into the allegations of extortion levelled by Singh against former state home minister Anil Deshmukh, there was an attempt to subvert the process. He said Singh was facing pressure from the probe officer. Justice Gupta said the inquiry against Singh was different from the inquiry against Deshmukh. "You have been a part of the force for 30-plus years. You cannot have doubt against your own," he said.

Jethmalani said while he did not doubt the police, the probe officer, a DGP-rank officer, had asked Singh to withdraw his letter to the CM alleging extortion by Deshmukh, failing which other criminal cases would be initiated against him.

Mumbai ex-top cop takes back plea to move case outside Maharashtra

Expressing disbelief, Justice Gupta told him that if a DGP-rank officer could give in to pressure, then there would be nobody who could withstand pressure. Jethmalani said the criminal complaints against Singh were being filed by notorious people. "These complainants are people who are chargesheeted, but are now falsely implicating me (Singh)," he said. The Bench said it cannot pre-judge and the history of the complainant cannot be the ground to quash the complaint.

The court then asked Jethmalani whether he would like to withdraw the plea and approach the High Court. "Please see my prayer. I can't keep facing one FIR after another just because I'm a whistleblower. How many cases will I fight? The gentleman in the case who is facing five trials is now filing a case against me," Jethmalani re-

sponded. "There is a saying, people in glass houses should not throw stones," said the bench. Jethmalani said the court was assuming that he was living in a glass house. "This is a prejudicial statement against me... If Your Lordships say that I am living in a glasshouse, I am being pre-judged," he said.

"If the police officers were totally independent and were not caged parrots, I would have confidence. There are other people like me who are also being victimised. Anybody who talks against the government is being victimised," he said.

The court asked how it could order a blanket stay on the FIRs. Jethmalani said his request was that no FIR should be filed without the court's permission. But the bench said different magistrates were looking into the FIRs.

The court also asked how the inquiry against Singh could be shifted to another state. Allowing Singh to withdraw the plea, the bench also allowed him to take up other remedies available to him in law.

Singh, a 1988-batch IPS officer, was removed from the post of Mumbai Police Commissioner on March 17 and was made the General Commander of Maharashtra State Home Guard after he levelled allegations of corruption and misconduct against Deshmukh. Deshmukh has denied any wrongdoing.

Govt releases funds for farm mechanisation

PRESS TRUST OF INDIA
Mumbai, June 11

TO EMPOWER FARMERS through the Sub-Mission on Agricultural Mechanisation (SMAM) scheme, the government on Friday said it has released funds for various activities to states.

The funds have been released for activities of farm mechanisation like establishment of custom hiring centres, farm machinery bank, high-tech hubs and distribution of various agricultural machinery, among others to different states, according to a statement by the agriculture ministry.

The agriculture and farmers welfare ministry had launched SMAM scheme in 2014-15, in order to increase the reach of farm mechanisation to small and marginal farmers and to the regions and difficult areas where farm power availability is low.

During 2021-22, the government released ₹22.12 crore to Uttar Pradesh as first instalment under SMAM for establishment of 290 custom hiring centres and 290 farm machinery banks at village level.

During 2021-22, in Andhra Pradesh ₹32.93 crore was re-

leased first instalment under SMAM for the establishment of 525 custom hiring centres and 34 high tech hubs, while in Tamil Nadu ₹21.74 crore was released as first instalment under SMAM for distribution of 269 agricultural machineries and equipment, for the establishment of 115 numbers of custom hiring centres, 10 hi-tech hubs and 100 farm machinery banks at village level, said the statement.

The government released ₹12.35 crore during 2021-22, to Kerala as first instalment under SMAM for distribution of 4,280 numbers of various machines and equipment to the farmers on subsidy and establishment of 58 farm machinery banks at village level.

During 2021-22, the government released ₹3.66 crore as first instalment for distribution of 6,045 numbers of various machines and equipment to the farmers on subsidy under SMAM.

Capping trade margin on O2 concentrators resulted in savings: Govt

CAPPING THE TRADE margin on oxygen concentrators by the government has resulted in ensuring consumer savings as the price of the critical device has come down, the ministry of chemicals and fertilisers said on Friday.

On June 3, the National Pharmaceutical Pricing Authority (NPPA) capped the trade margin on oxygen concentrators at 70% on the price to distributor (PTD) level.

In accordance with it, "a total of 104 manufacturers/importers of oxygen concentrators have submitted revised MRP for 252 products/brands," it said.

Downward revision in price by up to 54% has been reported in 70 brands, showing reduction in maximum retail price by up to ₹54,337 per unit. Further, 58 brands have reported price reduction of up to 25% and 11 brands reported price reduction of 26-50%, the statement said.

"Out of 252 products/brands reported, 18 products/brands reported by the domestic manufacturers did not show any decline in prices," it added. — PTI
